PERSONAL STATEMENT

I am an intuitive individual adapted for the work environment with experience in customer facing roles. I strive to complete all tasks to the highest standard, whilst maintaining a warming demeanour. I am looking for part-time/full-time work whilst completing my postgraduate studies and as such I offer a flexible and adaptable schedule. My hobbies include film photography, book-binding and graphic design.

EXPERIENCE

Architectural Assistant: February 2023 - September 2023

Company Name - Archi-Scape

Winnington Hall

Northwich

CW8 4DU

— Whilst working at Archi-Scape, I eventually began shadowing the director, who was interested in seeing other ways I could contribute. It was at this stage that I started to interact with clients on current projects. My largest project was helping to design a care-home and working on a private residential project located within the South-Downs.

Customer Service Director: February 2021 - February 2023

Company Name - LPWC

Hadfield House

Gordon St

SK4 1RR

— My main responsibilities whilst working at LPWC was overseeing customer service across the company. I personally handled customer queries, complaints and incoming leads. I also contributed towards marketing material, and running promotions throughout busy periods.

Sales Assistant : February 2017 - January 2021

Company Name - WHSmith

17-18 Market Street

Falmouth

TR11 3AF

— Working as a sales assistant was vital for developing my customer skills. Primarily this role was customer facing, helping customers find new releases and managing the shop floor. I gained experience organising book charts and keeping the floor well organised and clean.

EDUCATION

MA Architecture: Sep 2023 - Current

Huddersfield University

Queensgate

Huddersfield

Ba (Hons) Architecture: Sep 2017 - May 2021

Falmouth University

Woodlane

Falmouth

Media, 3D Design, Geology: Sep 2015 - May 2017

Aquinas College

Nangreave Rd

Stockport

ACHIEVEMENTS

National Citizenship Service: Aug 2015 - Sep 2015

During the summer of 2015 I completed my NCS programme. This built teamwork skills, my ability to think critically and allowed me to push myself out of my comfort zone and conquer obstacles I previously thought impossible.

Student Representative for Equality and Diversity: Jan 2016 - June 2017

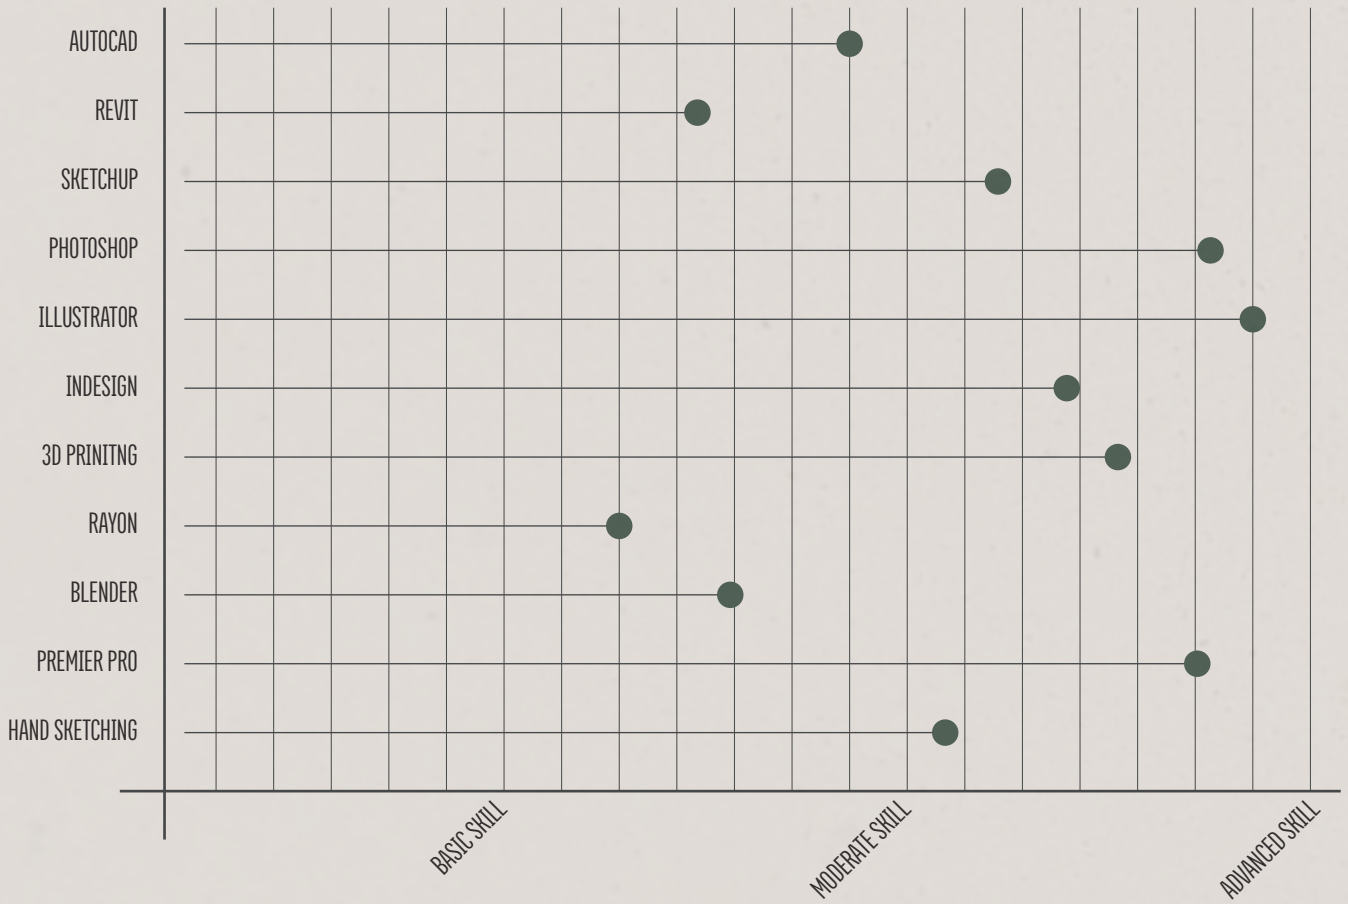

As an active member of my student council, I represented the college as an E&D ambassador on many union and student led conferences. This role helped me to develop a greater understanding of privilege and the many options I have to speak and fight for those who are misrepresented

Level 1 Award in British Sign Language: March 2017 - May 2017

During these few weeks, I participated in classes that helped me to develop my skills in British sign language. I am proud to develop these skills and I believe that it is a necessity for a community to strive to aid all.
